Introduction of Uniforms

The boy's uniform is a traditional Japanese uniform called "Gakuran".

We wear a cool blue shirt that is rare in Niigata prefecture with a red tie. We wear sweaters in the spring and fall.

Both boys and girls wear a badge with the school emblem on the collar.

The boy's button has our school's emblem.

Gosen city is well known for its knitting business. All the uniforms are made in this city, and these clothes are very comfortable!
